
Sponsored Seminar (PROGRAM)

Satellite Symposium

Morning Seminar

Luncheon Seminar

Coffee Break Seminar

Fireside Seminar

Satellite Symposium

Wednesday, July 20

Hall M

The Future of PCI: Bioresorbable Scaffold Technology Case Presentation 18:00~20:00 -Live Transmission from Europe

Chairs: Kyoto University School of Medicine
Maastad Hospital, The Netherlands

Takeshi Kimura
Elvin Kedhi

Operators: Thoraxcenter, Erasmus Medical Center, The Netherlands

Carl J. Schultz

Thoraxcenter, Erasmus Medical Center, The Netherlands

Nicolas Van Mieghem

Panelists: Kurashiki Central Hospital

Kazushige Kadota

Mitsui Memorial Hospital

Kengo Tanabe

Kokura Memorial Hospital

Kyohei Yamaji

SS1-1 BVS Design and Rationale

Abbott Vascular, USA

Charles A. Simonton

SS1-2 BVS Clinical Data Update

Thoraxcenter, Erasmus Medical Center, The Netherlands

Yoshinobu Onuma

Sponsored by Abbott Vascular Japan, Co., Ltd.

Japanese

Hall L

Strategies and Technique for BK Interventions

18:00~20:00

Chairs: Toho University Ohashi Medical Center
Shinsuma General Hospital

Masato Nakamura
Ikuro Kitano

Commentators: Kikuna Memorial Hospital

Akira Miyamoto

Kobe University

Hiroto Terashi

Asahikawa Medical University

Nobuyoshi Azuma

SS2-1

Tokeidai Memorial Hospital

Kazushi Urasawa

SS2-2

Kansai Rosai Hospital

Osamu Iida

SS2-3

Kokura Memorial Hospital

Yoshimitsu Soga

Sponsored by Otsuka Pharmaceutical Co., Ltd.
Kaneka Medix Corporation

Japanese

Hall N

New Generation DES : Nobori —Dual antiplatelet therapy and "NIPPON" clinical trial—

18:00~20:00

Chairs: Osaka University
Kokura Memorial Hospital

Shinsuke Nanto
Hiroyoshi Yokoi

SS3-1

Kobe university

Toshirou Shinke

SS3-2

Jichi medical university saitama medical center

Junya Ako

SS3-3

Toho university ohashi medical center

Masato Nakamura

Sponsored by TERUMO CORPORATION

Sponsored
Seminar

Satellite Symposium Wednesday, July 20

Morning Seminar

Friday, July 22

Japanese

Hall N

Antiplatelet therapy and gastrointestinal bleeding

8:00~9:00

Chair: Osaka Saiseikai Senri Hospital

Noritoshi Ito

MS

Kokura Memorial Hospital

Hiroyoshi Yokoi

Sponsored by Takeda Pharmaceutical Company Limited

Luncheon Seminar

Thursday, July 21

Hall C

PAD Treatment in the future

12:00~13:00

Chair: Kokura Memorial Hospital

Hiroyoshi Yokoi

LS1

Riverside Methodist Hospital, USA

Gary M. Ansel

Sponsored by Cook JAPAN Incorporated
MEDICO'S HIRATA INC.

Hall D

CRT in ischemic heart disease

12:00~13:00

Chair: Kansai Rosai Hospital

Masaaki Uematsu

LS2-1 Introduction to Advanced Imaging Methods for CRT

University of Pittsburgh, USA

Toshinari Onishi

LS2-2 The role of Advanced Imaging in CRT

University of Pittsburgh, USA

John Gorcsan III

Sponsored by Medtronic Japan Co., Ltd.

Hall E

Invitation to Global Vascular Management

12:00~13:00

Chairs: Tokai University School of Medicine

Yuji Ikari

Teikyo University Hospital

Takaaki Isshiki

LS3-1 Prevalence between CVD and CAD in Japan

Japan Red Cross Society Musashino Hospital

Tomoyuki Umemoto

LS3-2 Prevalence between PAD and CAD in Japan

Yamagata University School of Medicine

Hiroki Takahashi

LS3-3 Global Vascular Management in Korea

Sanggye-Paik Hospital, Inje University, Korea

Choong-Won Goh

Sponsored by Johnson and Johnson K.K.

PCI Strategy for Complicated Coronary Disease ~Tips & Tricks, Device Selection and Trouble-Shooting

12:00~13:00

Chair: Hokkaido Social Insurance Hospital

Keiichi Igarashi

LS4-1

Teikyo University School of Medicine

Ken Kozuma

LS4-2

Miyazaki Medical Association Hospital

Yoshisato Shibata

Sponsored by Boston Scientific Japan K.K.

Personalized cardiac diagnosis and intervention

12:00~13:00

Chair: Saiseikai Yokohama-City Eastern Hospital

Toshiya Muramatsu

LS5-1

Cardiac morphology and physiology by using 256 slice CT and iDose⁴

Sakurabashi Watanabe Hospital

Yasushi Koyama

LS5-2

What we can improve by optimizing X-ray angiography system setting

Aomori Prefectural Central Hospital

Fuminobu Yoshimachi

Sponsored by Philips Electronics Japan, Ltd.

Biosensors Stent Technology-Evaluated by Clinical Results

12:00~13:00

Chair: Sendai Kousei Hospital

Naoto Inoue

LS6-1

S-STENT Clinical Outcomes from The Sakakibara Heart Institute of Okayama

The Sakakibara Heart Institute of Okayama

Atsushi Hirohata

LS6-2

S-STENT Clinical Outcomes from Omihachiman Community Medical Center

Omihachiman Community Medical Center

Kan Zen

LS6-3

LEADERS Trial / BioFreedom FIM Update

Sendai Kousei Hospital

Norio Tada

Sponsored by Biosensors Japan Co., Ltd.

Antiarrhythmic drugs in patients with myocardial infarction (MI)

12:00~13:00

Chair: Kyoto University School of Medicine

Takeshi Kimura

LS7-1 Antiarrhythmic therapy in Acute MI

Kyoto University Hospital

Satoshi Shizuta

LS7-2 Antiarrhythmic therapy in patients with previous MI

Hirosaki University Graduate School of Medicine

Ken Okumura

Sponsored by Sanofi aventis

Japanese

Hall J

PCI-associated thrombosis and heparin-induced thrombocytopenia

12:00~13:00

Chair: Niigata City General Hospital

Hirotaka Oda

LS8-1 Percutaneous coronary intervention (PCI) in patients with Platelet aggregation state

Sanyudo Hospital

Hideki Abe

LS8-2 Heparin-induced thrombocytopenia : recent advance in the diagnosis and treatment

National Cerebral and Cardiovascular Center

Shigeki Miyata

Sponsored by DAIICHI SANKYO COMPANY, LIMITED

Mitsubishi Tanabe Pharma Corporation

Japanese

Hall K

The role of coronary CT angiography in Cardiovascular intervention and therapeutics

12:00~13:00

Chair: Keio University

Sachio Kuribayashi

LS9-1 Is necessary β -blocker for high speed CT?
-New development of Landiolol hydrochloride-

Tokyo Medical University

Masaharu Hirano

LS9-2 Significance of coronary CT angiography in cardiovascular intervention

Keio University

Masahiro Jinzaki

Sponsored by ONO Pharmaceutical Co., Ltd.

Japanese

Hall L

State-of-the art of Neuroendovascular Therapy

12:00~13:00

Chair: Toho University Ohashi Medical Center

Masato Nakamura

LS10 State-of-the art of stroke prevention, carotid artery stenting

Kobe City Medical Center General Hospital

Nobuyuki Sakai

Sponsored by Otsuka Pharmaceutical Co., Ltd.

Best Management after PCI(DES)

12:00~13:00

Chair: Toyohashi Heart Center Takahiko Suzuki

LS11-1 The best prevention of cardiovascular disease

Osaka University Graduate School of Medicine

Issei Komuro

LS11-2 Protective effect of RAS inhibitors for impairment of endothelial function

Toyohashi Heart Center Mitsuyasu Terashima

Sponsored by Nippon Boehringer Ingelheim Co., Ltd.

Prospect of Diabetes Treatment by Interventional Cardiologists

12:00~13:00

Chair: Wakayama Medical University Takashi Akasaka

LS12

Kyoto Katsura Hospital Shigeru Nakamura

Sponsored by MSD K.K.

**Safety of XIENCE V: New Perspective from the Expert's Research**

12:00~13:00

Chairs: Osaka University

Shinsuke Nanto

CV Path Institute, Inc., USA

Renu Virmani

Abbott Vascular, USA

Charles A. Simonton

LS13-1 The Clinical Impact of DES Evolution

Maasstad Hospital, Belgium

Elvin Kedhi

LS13-2 Is Biodegradable polymer DES always better than 2nd Gen DES?

Tokai University School of Medicine

Gaku Nakazawa

LS13-3 Angioscopic Evaluation of Arterial Repair Following XIENCE V Implantation

Kansai Rosai Hospital

Masaki Awata

Sponsored by Abbott Vascular Japan Co., Ltd.

**New Generation DES: Nobori**

12:00~13:00

-Up-to date information and clinical trial "NEXT"-

Chair: Wakayama Medical University

Takashi Akaska

LS14-1

Teikyo University School of Medicine

Ken Kozuma

LS14-2

Kurashiki Central Hospital

Kazushige Kadota

Sponsored by TERUMO CORPORATION

Percutaneous coronary interventions and statins therapy

12:00~13:00

Chair: Juntendo University

Hiroyuki Daida

LS15

University of Rome, Italy Germano Di Sciascio

Sponsored by Astellas Pharma Inc. and Pfizer Japan Inc.

Mastering Guiding Catheters

12:00~13:00

-Guiding Catheter Selection: Applying What You've Learned over 5 Years PCI Experience

Chairs: Kyoto Katsura Hospital

Shigeru Nakamura

Osaka University/Nozaki & Nagoya Tokushukai Hospital

Satoru Sumitsuji

LS16-1 Guiding Catheter ABC's: Dr. Sumitsuji's Road to Expertise

Osaka University/Nozaki & Nagoya Tokushukai Hospital

Satoru Sumitsuji

LS16-2 Guiding Catheter ABC's: Dr. Nakamura's Road to Expertise

Kyoto Katsura Hospital

Shigeru Nakamura

Sponsored by ASAHI INTECC CO., LTD.

ASAHI INTECC J-Sales, INC.

St. Jude Medical Co., Ltd.

Reconsidering ACE inhibitor

12:00~13:00

Chair: Nagoya Red Cross Hospital, Daini

Haruo Hirayama

LS17 The therapeutic strategy for coronary artery disease in the DES era

-For improving it's quality -

Kurume University Hospital

Takafumi Ueno

Sponsored by Mitsubishi Tanabe Pharma Corporation

Platinum as Next Evolutionary Stage

12:00~13:00

Chair: Shonan Kamakura General Hospital

Shigeru Saito

LS18-1 A Prospective, Randomized Investigation of a Novel Platinum Chromium Everolimus-Eluting Coronary Stent: The PLATINUM Trial

Tokyo Women's Medical University

Fumiaki Mori

LS18-2 ELEMENT: New Material, New Design and New Technology

Kokura Memorial Hospital

Hiroyoshi Yokoi

Sponsored by Boston Scientific Japan K.K.

Prevention of no-reflow/slow flow

12:00~13:00

Chair: Teikyo University Hospital

Takaaki Isshiki

LS19-1 Effectiveness of Filtrap in emergent & elective PCI
~Detection of high risk patients by Angioscopy~

Osaka Police Hospital

Koushi Matsuo

LS19-2 VAMPIRE 2 Study

Kansai Rosai Hospital

Takayuki Ishihara

Sponsored by Japan Lifeline Co.,Ltd.
NIPRO CORPORATION

Japanese

Hall I

**Pharmacological Intervention on Coronary Artery Disease
-Clinical Significance of Japanese Evidence-**

12:00~13:00

Chair: Chikamori Hospital

Kazuya Kawai

LS20 Pharmacological Intervention on Coronary Artery Disease
—Clinical Significance of Japanese Evidence through IVUS trials—

Saiseikai Kumamoto Hospital

Koichi Nakao

Sponsored by Kowa Pharmaceutical Co. Ltd.

Japanese

Hall J

Global Vascular Intervention based on ATIS

12:00~13:00

Chair: Ogaki Municipal Hospital

Takahito Sone

LS21 Panvascular Intervention based on ATIS

Kishiwada Tokushukai Hospital

Yoshiaki Yokoi

Sponsored by Sanofi aventis

Japanese

Hall K

Practical Clinical Use of VH IVUS

12:00~13:00

Chair: Shin-Koga Hospital

Tomohiro Kawasaki

LS22-1

Yokohama Sakae Kyosai Hospital

Ichiro Michishita

LS22-2

Cardiovascular Research Foundation, USA

Akiko Maehara

Sponsored by Volcano Japan, Co., Ltd.

The benefits of intensive lipid lowering with statin on clinical outcomes and atherosclerosis in patients with established cardiovascular disease 12:00~13:00

Chair: Osaka Police Hospital Yasunori Ueda

LS23

University of Juntendo Katsumi Miyauchi

Sponsored by Astra Zeneca
SHIONOGI & CO., LTD.

Hall M

Development and In Vitro, Animal, Clinical Data of New Concept, Japanese BMS 12:00~13:00

Chair: Kyoto University School of Medicine Takeshi Kimura

LS24-1 The Concept and Design of New Japanese BMS with Preclinical Data

Kansai Electric Power Hospital Kazuaki Kataoka

LS24-2 Clinical Data of New Concept Japanese BMS -Data from Clinical Trial in Europe-

University of Bristol, UK Andreas Baumbach

Sponsored by FUKUDA DENSHI CO., LTD.

Japanese

Hall N

Imaging Innovation for Cardiovascular disease 12:00~13:00

Chair: Tenri Hospital Yoshihisa Nakagawa

LS25-1 Novel detection of myocardial ischemia by 3D Wall Motion Tracking of echocardiography

Kansai Electric Power Hospital Katsu Ishii

LS25-2 Advantages and Future Perspectives on 320 Area detector CT

Mitsui Memorial Hospital Kengo Tanabe

Sponsored by TOSHIBA MEDICAL SYSTEMS CORPORATION

Japanese

Hall O

The front line of treatment for ischemic heart failure 12:00~13:00

Chair: Tohoku University Graduate School of Medicine Hiroaki Shimokawa

LS26-1 Practical approach to treating patients with ischemic heart failure by beta blockers

Kokura Memorial Hospital Takeshi Arita

LS26-2 Medical therapy for ischemic heart failure

Tokyo Medical and Dental University Mitsuaki Isobe

Sponsored by DAIICHI SANKYO COMPANY, LIMITED

**Innovation from Abbott Vascular: A Glimpse into the Future**

12:00~13:00

Chairs: Teikyo University Hospital
Sakakibara Heart Institute
Abbott Vascular, USA

Takaaki Isshiki
Morimasa Takayama
Charles A. Simonton

LS27-1 The Next Generation EES

Teikyo University School of Medicine

Ken Kozuma

LS27-2 Bioresorbable Scaffolds: From Benchwork to Clinical Application

CV Path Institute, Inc., USA

Renu Virmani

LS27-3 Mitra Clip Therapy -System Engineering and Learning

University of Virginia, USA

Scott Lim

Sponsored by Abbott Vascular Japan Co., Ltd.

Japanese

Hall C

How would you treat this case of AMI?
-Recommendation of "NAUSICA-AMI trial"-

12:00~13:00

Chair: Shonan Kamakura General Hospital/Sapporo Higashi Tokushukai Hospital

Shigeru Saito

LS28-1 AMI case presentation

Omutatenryo Hospital

Takuro Yamashita

LS28-2 In my view ①

Hyogo College of Medicine

Motomaru Masutani

LS28-3 In my view ②

Jichi Medical University

Takaaki Katsuki

LS28-4 Overview -Recommendation of "NAUSICA-AMI trial"

Shonan Kamakura General Hospital/Sapporo Higashi Tokushukai Hospital

Shigeru Saito

Sponsored by TERUMO CORPORATION

Hall D

PAD Intervention: The Evidence to Date and Our Expectations
for the Future

12:00~13:00

Chair: Osaka University

Shinsuke Nanto

LS29-1 Endovascular Therapy for the Patient with Peripheral Artery Disease

Kansai Rosai Hospital

Osamu Iida

LS29-2 Overview of New Therapies for Lower Extremity Revascularization

UC Davis Medical Center, USA

John R. Laird

Sponsored by Medicon, Inc.

**The Excimer Laser System**

12:00~13:00

Chair: Shinshu University Graduate School of Medicine Yusuke Miyashita

LS30

The Excimer Laser Angioplasty for Coronary and Peripheral

Bryn Mawr Hospital, USA

Antonis Pratsos

Sponsored by DVx Inc.

Japanese

Hall F

Renal Artery Stenting: What do we expect?

12:00~13:00

Chairs: Kishiwada Tokushukai Hospital

Yoshiaki Yokoi

Toho University Ohashi Medical Center Masato Nakamura

LS31-1

Does the evolution of Best Medical Treatment outperform PTRAs?

Tohoku University Hospital

Takaaki Abe

LS31-2

Does PTRAs improve prognosis? - Cases we should and shouldn't treat -

Cardio-vascular Center Hokkaido Ohno Hospital Takehiro Yamashita

Sponsored by Johnson & Johnson K.K.

Hall G

How does drug-eluting stent change the cardiology practice?

12:00~13:00

Chair: Tokyo Medical University

Akira Yamashina

LS32

Angioscopic assessment of arterial repair following latest generation DES Implantation

Kansai Rosai Hospital Cardiovascular Center

Masaki Awata

Sponsored by FUJIFILM RI Pharma Co., Ltd.

Japanese

Hall H

Novel findings from AMI registry OACIS

12:00~13:00

Chair: Osaka University

Yoshiki Sawa

LS33

Osaka University Graduate School of Medicine

Issei Komuro

Sponsored by Takeda Pharmaceutical Company Limited

Unexpected Complication of Coronary Intervention: How do you manage the situation as a co-medical staff?

11:15~13:15

Chair: Osaka Police Hospital

Yasunori Ueda

LS34

Osaka Police Hospital

Koushi Matsuo

Sponsored by Heart Organization Ltd.

Japanese

Hall J

Clinical Pathway of the New Era for Cardiovascular Diseases

12:00~13:00

Chair: Sakakibara Heart Institute

Tetsuya Sumiyoshi

LS35-1 Introduction of smoking cessation to CAG clinical pathway

-A Challenge to smoker who make a strong stand against smoking cessation-

Nippon Medical School

Kuniya Asai

LS35-2 Smoking Cessation Treatment in Patients with Cardiovascular Disease

Nippon Medical School

Yoshiko Miyatake

Sponsored by Pfizer Japan Inc.

Coffee Break Seminar

Thursday, July 21

Japanese

Hall B

To Master of CTO Antegrade Approach! From Pathology, IVUS Guided CTO to the Latest Device

15:00~16:00

Chair: Saiseikai Yokohama-City Eastern Hospital Toshiya Muramatsu

CB1-1	Nature of CTO Lesions	Tokai University School of Medicine	Gaku Nakazawa
CB1-2	Antegrade Technique Tips and Tricks	Sekishinkai Sayama Hospital	Masahisa Yamane
CB1-3	Basic Training for IVUS Guide wiring	Toyohashi Heart Center	Kenya Nasu
CB1-4	The Clinical Experience of the New Hybrid Guide Wire	Shin-Koga Hospital	Tomohiro Kawasaki

Sponsored by Abbott Vascular Japan Co., Ltd.

Japanese

Hall D

Focus on Radiation Dose by CT vs Low dose innovation

15:00~16:00

Chair: Kusatsu Heart Center Eisho Kyo

CB2-1	GE CT Dose strategy and New Technology	GE Healthcare Japan Corporation	Motoki Watanabe
CB2-2	Ultra low Dose Cardiac CT - 1/10 less dose	Edogawa Hospital	Takehiko Keida

Sponsored by GE Healthcare Japan Corporation.

Hall F

Strategy of EVT for Limb Salvage

15:00~16:00

-Front-line Treatment Strategy from Europe and Challenge of Japanese Treatment-

Chair: Kokura Memorial Hospital Hiroyoshi Yokoi

CB4-1	Front-Line Treatment Strategy of EVT for Limb Salvage	Park Hospital & Heart Center Leipzig, Germany	Andrej Schmidt
CB4-2	Challenge of Japanese EVT for Limb Salvage	Kansai Rosai Hospital	Osamu Iida

Sponsored by Medtronic Japan Co., Ltd.

Sponsored
Seminar

Coffee Break Seminar Thursday, July 21

Aquaretics: the changing prospects in uresis

15:00~16:00

Chair: Osaka University Graduate School of Medicine

Issei Komuro

CB5

Nihon University School of Medicine

Atsushi Hirayama

Sponsored by Otsuka Pharmaceutical Co., Ltd.

Clinical Implication of Total Risk Management for Coronary Artery Disease

15:00~16:00

Chair: Toyohashi Heart Center

Takahiko Suzuki

CB6

University of Juntendo

Katsumi Miyauchi

Sponsored by MSD K.K.

Medical Lawsuit

15:00~16:00

Chair: School of Medicine, Kyorin University

Hideaki Yoshino

CB7

A medical accident and legal responsibility Based on the case caused a coronary perforation during Percutaneous Coronary Intervention enforcement

Sekiya Law Firm, Lawyer

Yu Munataka

Sponsored by Associations for Establishment of Evidence in Interventions (AEEI)

15:00~16:00

Chair: Sakurabashi Watanabe Hospital

Kenshi Fujii

CB25

Keio University

Shun Kohsaka

**New Clinical Results of XIENCE V in Japanese and Asian Patients**

15:00~16:00

Chairs: Abbott Vascular, USA

Charles A. Simonton

Tenri Hospital

Yoshihisa Nakagawa

Duke University Medical Center, USA

Mitchell W. Krucoff

CB8-1 SIRIRAJ Registry -Xience V Performance Evaluation in Thailand

Siriraj Hospital, Mahidol University, Thailand

Suwatchai Pornratanarangsi

CB8-2 DES for the treatment of ACS: Experience from Saitama

Jichi Medical University Saitama Medical Center

Junya Ako

CB8-3 Experience of XIENCE V in Kurashiki Central Hospital

Kurashiki Central Hospital

Kazushige Kadota

Sponsored by Abbott Vascular Japan Co., Ltd.

**Endeavor Update**

15:00~16:00

Chair: Toho University Ohashi Medical Center

Masato Nakamura

CB9-1 Endeavor OCT Study Update

Yonsei Cardiovascular Hospital/Yonsei University College of Medicine, Korea

Myeong-Ki Hong

CB9-2 Clinical usefulness of Endeavor stent in daily practice

Teikyo University School of Medicine

Ken Kozuma

Sponsored by Medtronic Japan Co., Ltd.

Japanese

Cutting Edge of Global Vascular Management

15:00~16:00

Chairs: Toyohashi Heart Center

Takahiko Suzuki

Shonan Kamakura General Hospital/Sapporo Higashi Tokushukai Hospital

Shigeru Saito

CB10-1 Global Vascular Management - Yokohama experience

Saiseikai Yokohama-City Eastern Hospital

Toshiya Muramatsu

CB10-2 Global Vascular Management Overview in Japan

Kokura Memorial Hospital

Hiroyoshi Yokoi

Sponsored by Johnson & Johnson K.K.

**Endovascular Femoro-popliteal Bypass:
Optimal Treatment for Complex SFA Disease**

13:30~14:30

Chair: Kokura Memorial Hospital Hiroyoshi Yokoi

CB11

Mid-Florida Cardiology, USA Barry S. Weinstock

Sponsored by W. L. Gore & Associates, Co., Ltd.

Japanese

Hall F

Coronary circulation physiology and interventional strategies

15:00~16:00

Chair: Kinki University Faculty of Medicine Shunichi Miyazaki

CB12-1 Importance of microvascular function on coronary/systemic circulation

Tokyo Medical University Nobuhiro Tanaka

CB12-2 Strategy for Primary PCI for STEMI using an Index of Microcirculatory Resistanse (IMR)

Osaka Saiseikai Senri Hospital Noritoshi Ito

Sponsored by Chugai Pharmaceutical Co., Ltd.

Japanese

Hall G

Management of Patients with Heart Failure Due to Ischemic Etiology

15:00~16:00

Chair: Nihon University School of Medicine Atsushi Hirayama

CB13

Nihon University School of Medicine Mahoto Kato

Sponsored by Eisai Co., Ltd.

Japanese

Hall H

NSE -evaluation and expectation-

15:00~16:00

Chair: Kyoto Katsura Hospital Shigeru Nakamura

CB14-1 The nonslip story of NSE

Tokyo Hokubu Hospital Tadashi Yamamoto

CB14-2 The experience using NSE for small vessel lesion

Kawasaki Municipal Tama Hospital Koichi Mizuno

CB14-3 The sefulness of NSE for bifurcation lesion

Saiseikai Kumamoto Hospital Tomohiro Sakamoto

CB14-4 The dilatation effect of NSE for calcified lesion

Uwajima City Hospital Shuntaro Ikeda

Sponsored by GOODMAN INC

Exposure Dose Control using Cardiology PACS

15:00~16:00

Chair: Japan Labour Health and Welfare Organization Yokohama Hospital Yoshihito Hagiwara
